News You Can Use

PREVENT DISCONNECT

Thank you for being a valued customer. Please be aware that all charges must be paid each month to keep your account current and prevent collection activities. We are required to inform you that certain charges contained in the State tariff, associated taxes, fees and surcharges which include but are not limited to: basic local service, intra-state long distance calls, as well as call waiting, call forwarding and other call management type services MUST be paid in order to prevent interruption of basic local service. These charges are already included in the Total Amount Due and are \$88.12. Also, neglecting to pay for other charges such as voice mail, InLine®, wireless, inter-state long distance, and Internet may result in these services being interrupted.

LONG DIST. PROVIDERS

Please contact us if this does not agree with your records.

PAYMENT FEE UPDATE

If you prefer to avoid paying the credit card processing fee, you can use one of the following payment methods: Debit Cards, ACH Transfers, Electronic Funds Transfers (EFT), Checks. If you prefer using a credit card, no action is required. We will process payment as usual, but with the added 2-3% processing fee.

FEES AND SURCHARGES

AT&T collects monthly fees and surcharges to help recover its required contribution to government programs and to recover costs AT&T pays in taxes and required payments levied by federal, state, and local governments. These fees and surcharges included on your bill are periodically adjusted to align with the rates determined by the government agency that is responsible for the state or federal fund or tax and subject to change at any time without notice to you unless required by law. For more information, please contact an AT&T Service Representative at the phone number listed on the front of your bill.

BUSINESS RATE CHANGE

Effective September 9, 2025, rates for local voice services will increase approximately 45%. The specific amount of your rate increase will depend upon your local voice service type. If you are not under contract, you have the right to cancel your subscription to this service without penalty. For questions, please call the toll-free number listed on your bill or visit us online at business.att.com.

COST ASSESSMENT CHRG

AT&T charges you this monthly per line amount to recover its ongoing costs incurred for property taxes and supporting the administration of local number portability, a government program that enables customers to retain their telephone number when changing service providers. This fee is not a tax or charge that the government requires AT&T to collect from its customers.
