News You Can Use

PREVENT DISCONNECT  
Thank you for being a valued customer. It is important to inform you that all charges must be paid each month to keep your account current and prevent collection activities. In addition, please be aware that we are required to inform you of certain charges that MUST be paid in order to prevent interruption of basic local service. These charges are already included in the Total Amount Due and are \$485.43. If you don't agree with the amount due, you should dispute the portion you disagree with before the payment due date.

News You Can Use - Continued  
CARRIER INFO  
AT&T Long Distance, or a company that resells their service, is your long distance and local toll carrier.

FEES AND SURCHARGES  
AT&T collects monthly fees and surcharges to help recover its required contribution to government programs and to recover costs AT&T pays in taxes and required payments levied by federal, state, and local governments. These fees and surcharges included on your bill are periodically adjusted to align with the rates determined by the government agency that is responsible for the state or federal fund or tax and subject to change at any time without notice to you unless required by law. For more information, please contact an AT&T Service Representative at the phone number listed on the front of your bill.

PAYMENT FEE UPDATE  
Beginning in 2025, a 2-3% processing fee will be added when using a credit card to make one-time payments. If you prefer to avoid paying the credit card processing fee, you can use one of the following payment methods: Debit Cards, ACH Transfers, Electronic Funds Transfers (EFT), Checks. If you prefer using a credit card, no action is required. We will process payment as usual, but with the added 2-3% processing fee.

COST ASSESSMENT CHRG  
AT&T charges you this monthly per line amount to recover its ongoing costs incurred for property taxes and supporting the administration of local number portability, a government program that enables customers to retain their telephone number when changing service providers. This fee is not a tax or charge that the government requires AT&T to collect from its customers.
