We have provided definitions for the charges that customers most frequently ask us about and answers to the most frequently asked questions below.

Definitions

911 Charge Paid to local government and helps provide for emergency service in our community.

Dual Party Relay Service Charge Assists in funding the relay center that assists the hearing and speech impaired to communicate with telecommunications providers.

FCC Regulatory Fee Collected on TV services for payment to the Federal Communications Commission (FCC).

Federal End User Access Charge Recovers the costs associated with connecting to a telecommunications service provider's interstate network making long distance service more affordable to all.

Federal and State Universal Service Charges Applied to the Federal and State Universal Service Funds that make it possible for telecommunications providers to keep local phone rates affordable for all Americans.

Franchise Fee Collected on certain TV services paid to the appropriate city or county franchising authority.

SC Franchise Authority

SC Secretary of State / The dept of Consumer Affairs
PO Box 5757, Columbia, SC 29210

Frequently Asked Questions

Who do I call before I dig? South Carolina has a statewide system which allows contractors and other utilities to call one telephone number to protect buried utilities from becoming damaged by digging or excavating. Call 1-888-721-7877.

Individuals may call the Repair Service number on the front of this statement before you do any of the following: planting trees, trenching, digging fence post holes or drainage ditches, drilling or boring, soil ripping, grading, etc.

How do I report service problems? For most repairs, call the number listed on the front of this statement. See Page 1 of your telephone directory for other repair service numbers and a checklist to use before reporting telephone problems.

Why are some Telephone charges marked with ** beside it?

Telephone charges that have the ** are considered deniable charges and failure to pay these charges may result in the disconnection of your basic local telephone service and/or collection procedures. Failure to pay these charges may also result in the loss of any bundle discounts. Charges for other services not marked with **, are considered non-deniable charges, and failure to pay these charges will result in the disconnection of those services but not in the disconnection of your basic local telephone service.

How do I get closed captioning support? To report an immediate technical issue regarding closed captioning, please contact Comporium's Repair Service by dialing 6-1-1 or the local number for your area.

Written complaints may be dropped off at your local Comporium office; mailed to: Closed Captioning Coordinator, External Affairs, PO Box 470, Rock Hill, SC 29731; faxed to: (803) 326-5703; or e-mailed to: closedcaptions@comporium.com.

If you wish to speak to the Closed Captioning Coordinator, you may call the following toll free number: 1-877-355-3253 (please note: this number is only for use with questions about submitted closed captioning complaints).

Prorated Charges Comporium no longer utilizes pro-rated billing for recurring charges. Billing for new services added or changes to your account will begin on the first day of your monthly billing cycle. For all services that are canceled prior to the end of the current billing month, you will be responsible for the full monthly charge (without pro-rated or partial month credit).
