#### FEES AND SURCHARGES

AT&T collects monthly fees and surcharges to help recover its required contribution to government programs and to recover costs AT&T pays in taxes and required payments levied by federal, state, and local governments. These fees and surcharges included on your bill are periodically adjusted to align with the rates determined by the government agency that is responsible for the state or federal fund or tax and subject to change at any time without notice to you unless required by law. For more information, please contact an AT&T Service Representative at the phone number listed on the front of your bill.

#### PAYMENT FEE UPDATE

Beginning in 2025, a 2-3% processing fee will be added when using a credit card to make one-time payments. If you prefer to avoid paying the credit card processing fee, you can use one of the following payment methods: Debit Cards, ACH Transfers, Electronic Funds Transfers (EFT), Checks. If you prefer using a credit card, no action is required. We will process payment as usual, but with the added 2-3% processing fee.

#### COST ASSESSMENT CHRG

AT&T charges you this monthly per line amount to recover its ongoing costs incurred for property taxes and supporting the administration of local number portability, a government program that enables customers to retain their telephone number when changing service providers. This fee is not a tax or charge that the government requires AT&T to collect from its customers.
